Welcome to Seale Pastures House

Our aim is to provide a friendly, caring, 'home from home' environment where dignity, independence, safety and comfort are paramount.

We have a dedicated and compassionate team, with good staff retention, which means our staff can build close and meaningful relationships with all our residents.

We are part of a wider, friendly and welcoming community and we always make sure that all our visitors are made welcome and well looked after, whoever they are.

We ensure that all residents are fully involved in the planning and delivery of services, promoting their right to privacy and independence. We recognise that everyone is different and the care we deliver aims to reflect this. Seale Pastures House provides a homely, relaxed and safe atmosphere for its residents, guests and staff.

A home from home.

Communal

Seale Pastures Care Home is situated in a charming hamlet in rural south Derbyshire, located between Swadlincote and Ashby de la Zouch.

Seale Pastures House is quite an imposing building, but there's nothing imposing about the warm welcome we give to all our visitors: quite the opposite. In fact, we're regularly told how approachable and friendly we are.

We try our very best to make the residents feel that this is their home – a real home from home. Our staff relate to the residents with care, compassion and genuine friendship, whether it's having a natter, being a shoulder to cry on, or enjoying a bit of good humoured banter.

We like to keep the residents as active as possible, mentally and physically. We have bingo, quizzes, and trips out in our minibus. We have our own hairdressing salon, and the hairdresser comes in two days a week. We had a 50s diner theme event, when people dressed up and listened to 50s music. Various local organisations visit us, including a church group, who recently did a make-over of our garden. We also have a shopping event from time to time, when local businesses come here so that those residents who can't get out are able to do some shopping.

Our rooms

Each of our 40 bedrooms at Seale Pastures House are inviting, comfortable and well-furnished; residents are encouraged to personalise their room with their own furniture, photos and other moments to create a home from home feel.

Dining

Our catering team provide a wide range of home-cooked, nutritionally balanced meals prepared in our own kitchen and made from quality ingredients. Menus are prepared in consultation with experienced dieticians, with suggestions from our residents, to ensure that any specific needs, allergies or cultural and personal preferences are considered, while achieving a balanced nutritious diet.

Residents are encouraged to eat in the dining rooms but they can choose to eat in their room if they wish. We encourage friends and family to join us for meals with prior arrangement. We also cater for special occasions for our residents such as birthdays and anniversaries. The main meal of the day is served at midday, with a lighter meal in the evening. All meals offer a choice of menu options. Snacks, fresh fruit and refreshments are available at all times.

From bingo to beauty.

Activities

A regular programme of activities is promoted within the home by our dedicated activity organiser.

Each activity is designed around keeping fit and active or to simply stimulate. We encourage residents to live their lives as they wish and are able to join in, or not, as they please.

Our activities often involve the local community and we encourage strong social links with local groups. Typical daily activities include arts and crafts, indoor bowling, bingo, passive and gentle exercises, one to one shopping trips, beauty therapy, reminiscence meetings and lots more.

Support through challenging times.

Peace of mind

Our staff have the experience and training to know and understand the challenges that everybody involved has to overcome, so we know how to help. We provide as much support as possible to residents and their families during the moving process and throughout their stay at Seale Pastures House.

Our staff are diligent, caring and trustworthy personnel who have each resident and their family's happiness as a core priority.
