# Welcome to Church House

Our aim is to provide a friendly, caring, 'home from home' environment where dignity, independence, safety and comfort are paramount.

We have a dedicated and compassionate team, with good staff retention, which means our staff can build close and meaningful relationships with all our residents.

We are part of a wider, friendly and welcoming community and we always make sure that all our visitors are made welcome and well looked after, whoever they are.

We ensure that all residents are fully involved in the planning and delivery of services, promoting their right to privacy and independence. We recognise that everyone is different and the care we deliver aims to reflect this. Church House provides a homely, relaxed and safe atmosphere for its residents, guests and staff.

A home from home.

## Communal

Church House Care Home is situated just outside Nantwich in Cheshire, in a picturesque rural location. It's a 200 year old farm house with a modern extension in a beautiful setting. All our visitors are warmly greeted with a smile, a hand shake, and the offer of a hot drink. We have a reputation for being a very warm and friendly home. Our staff have all the qualities that you'd expect in a Care Home. They're good listeners, they're caring and compassionate, they have a laugh, they're a shoulder to cry on, and they'll give a cuddle if one's needed!

We have a marvellous Activities Co-ordinator: a natural entertainer who lights up the room when she walks in. She gets everyone involved and alert, not just with games and quizzes, but engaging with each other and the world around them.

Activities are very much centred on what the residents would like to do. They always have a choice. Some like to walk around the gardens and up the lane. We have frequent trips out – we had a trip recently to Chester Zoo. We had a large garden party this summer, so there's lots of coming and going, and plenty to keep the residents happy and contented.

A lot of residents engage with each other over meal times. Some will get their own meal and then help others get theirs and then help tidy away. They also like to get involved in the kitchen.

## Our rooms

Each of our 44 bedrooms at Church House are inviting, comfortable and well-furnished; residents are encouraged to personalise their room with their own furniture, photos and other momentos to create a home from home feel.

## Dining

Our catering team provide a wide range of home-cooked, nutritionally balanced meals prepared in our own kitchen and made from quality ingredients. Menus are prepared in consultation with experienced dieticians, with suggestions from our residents, to ensure that any specific needs, allergies or cultural and personal preferences are considered, while achieving a balanced nutritious diet.

Residents are encouraged to eat in the dining rooms but they can choose to eat in their room if they wish. We encourage friends and family to join us for meals with prior arrangement. We also cater for special occasions for our residents such as birthdays and anniversaries. The main meal of the day is served at midday, with a lighter meal in the evening. All meals offer a choice of menu options. Snacks, fresh fruit and refreshments are available at all times.

## Activities

A regular programme of activities is promoted within the home by our dedicated activity organiser.

Each activity is designed around keeping fit and active or to simply stimulate. We encourage residents to live their lives as they wish and are able to join in, or not, as they please.

Our activities often involve the local community and we encourage strong social links with local groups. Typical daily activities include arts and crafts, indoor bowling, bingo, passive and gentle exercises, one to one shopping trips, beauty therapy, reminiscence meetings and lots more.

# Support through challenging times.

## Peace of mind

Our staff have the experience and training to know and understand the challenges that everybody involved has to overcome, so we know how to help. We provide as much support as possible to residents and their families during the moving process and throughout their stay at Church House.

Our staff are diligent, caring and trustworthy personnel who have each resident and their family's happiness as a core priority.
