Welcome to Dene Park House

Our aim is to provide a friendly, caring, 'home from home' environment where dignity, independence, safety and comfort are paramount.

We have a dedicated and compassionate team, with good staff retention, which means our staff can build close and meaningful relationships with all our residents.

We are part of a wider, friendly and welcoming community as you'd expect in the north east and we always make sure that all our visitors are made welcome and well looked after, whoever they are.

We ensure that all residents are fully involved in the planning and delivery of services, promoting their right to privacy and independence. We recognise that everyone is different and the care we deliver aims to reflect this. Dene Park House provides a homely, relaxed and safe atmosphere for it's residents, guests and staff.

A home from home.

Communal

Dene Park Care Home is situated in South Gosforth, Newcastle upon Tyne.

We have a low staff turnover and a team of passionate and dedicated staff. Visitors to our Home are always greeted with a smile, and offered a cup of tea or coffee, no matter what their visit is about. We want them to get a good first impression, to make them feel comfortable, particularly if they are looking for a Care Home for their loved ones, which is often a traumatic time for a family. In these cases we take them round the Home and introduce them to our Carers, the residents and, whenever possible, their families. Our residents are very active. Our Activities Co-ordinator offers a wide range of activities every day: arts & crafts, armchair exercises, games, a knitting club, recall and reminiscence, pamper days, cinema matinees, group activities and 1-2-1 sessions, as well as regular visits from singers, when residents often join in! A Hairdresser attends weekly. We have trips out, to places such as the famous Beamish outdoor museum, which everyone thoroughly enjoys. A local dance class comes in, as well as a theatre group who perform pantomimes. We're next door to a very nice pub, the Victory, which is used regularly by some of our residents and we also have our own bistro.

Our rooms

Each of our 51 bedrooms at Dene Park House are inviting, comfortable and well-furnished; residents are encouraged to personalise their room with their own furniture, photos and other momentos to create a home from home feel.

Dining

Our catering team provide a wide range of home-cooked, nutritionally balanced meals prepared in our own kitchen and made from quality ingredients. Menus are prepared in consultation with experienced dieticians, with suggestions from our residents, to ensure that any specific needs, allergies or cultural and personal preferences are considered, while achieving a balanced nutritious diet.

Residents are encouraged to eat in the dining rooms but they can choose to eat in their room if they wish. We encourage friends and family to join us for meals with prior arrangement. We also cater for special occasions for our residents such as birthdays and anniversaries. The main meal of the day is served at midday, with a lighter meal in the evening. All meals offer a choice of menu options. Snacks, fresh fruit and refreshments are available at all times.

How do you like your eggs?

From bingo to beauty.

Activities

A regular programme of activities is promoted within the home by our dedicated activity organiser.

Each activity is designed around keeping fit and active or to simply stimulate. We encourage residents to live their lives as they wish and are able to join in, or not, as they please.

Our activities often involve the local community and we encourage strong social links with local groups. Typical daily activities include arts and crafts, indoor bowling, bingo, passive and gentle exercises, one to one shopping trips, beauty therapy, reminiscence meetings and lots more.

Support through challenging times.

Peace of mind

Our staff have the experience and training to know and understand the challenges that everybody involved has to overcome, so we know how to help. We provide as much support as possible to residents and their families during the moving process and throughout their stay at Dene Park House.

Our staff are diligent, caring and trustworthy personnel who have each resident and their family's happiness as a core priority.
