Welcome to Moorfield House

Our aim is to provide a friendly, caring, 'home from home' environment where dignity, independence, safety and comfort are paramount.

We have a dedicated and compassionate team, with good staff retention, which means our staff can build close and meaningful relationships with all our residents.

We are part of a wider, friendly and welcoming community as you'd expect in the north east and we always make sure that all our visitors are made welcome and well looked after, whoever they are.

We ensure that all residents are fully involved in the planning and delivery of services, promoting their right to privacy and independence. We recognise that everyone is different and the care we deliver aims to reflect this. Moorfield House provides a homely, relaxed and safe atmosphere for it's residents, guests and staff.

A home from home.

Communal

Moorfield House is situated in a pleasant, leafy suburb to the south of Newcastle, on the edge of Town Moor. It is a small Home with a warm, friendly and welcoming atmosphere. Many of our team have worked at Moorfield for a long time, and our staff turnover is very small. This helps us to maintain a consistently high level of service for our residents, and to foster long term and meaningful relationships with their families and friends.

We believe that our residents should remain as physically and mentally active as possible, so we encourage them to participate in a variety of activities.

Our staff are all highly committed to providing the residents with a safe and emotionally secure environment. An important part of this is just having a good old natter – sharing happy memories, offering a shoulder to cry on, or simply having a good laugh!

We gradually build up relationships with residents, and in no time they begin to feel that Moorfield is more than just a Care Home, it's their home.

Moorfield House have a conservatory, cinema room, visiting hairdresser, lovely gardens and veranda rooms on the ground floor.

Our rooms

Each of our 35 bedrooms at Moorfield House are inviting, comfortable and well-furnished; residents are encouraged to personalise their room with their own furniture, photos and other momentos to create a home from home feel.

Dining

Our catering team provide a wide range of home-cooked, nutritionally balanced meals prepared in our own kitchen and made from quality ingredients. Menus are prepared in consultation with experienced dieticians, with suggestions from our residents, to ensure that any specific needs, allergies or cultural and personal preferences are considered, while achieving a balanced nutritious diet.

Residents are encouraged to eat in the dining rooms but they can choose to eat in their room if they wish. We encourage friends and family to join us for meals with prior arrangement. We also cater for special occasions for our residents such as birthdays and anniversaries. The main meal of the day is served at midday, with a lighter meal in the evening. All meals offer a choice of menu options. Snacks, fresh fruit and refreshments are available at all times.

Activities

A regular programme of activities is promoted within the home by our dedicated activity organiser.

Each activity is designed around keeping fit and active or to simply stimulate. We encourage residents to live their lives as they wish and are able to join in, or not, as they please.

Our activities often involve the local community and we encourage strong social links with local groups. Typical daily activities include arts and crafts, indoor bowling, bingo, passive and gentle exercises, one to one shopping trips, beauty therapy, reminiscence meetings and lots more.

Support through challenging times.

Peace of mind

Our staff have the experience and training to know and understand the challenges that everybody involved has to overcome, so we know how to help. We provide as much support as possible to residents and their families during the moving process and throughout their stay at Moorfield House.

Our staff are diligent, caring and trustworthy personnel who have each resident and their family's happiness as a core priority.
