Welcome to Princes Court

Our aim is to provide a friendly, caring, 'home from home' environment where dignity, independence, safety and comfort are paramount.

We have a dedicated and compassionate team, with good staff retention, which means our staff can build close and meaningful relationships with all our residents.

We are part of a wider, friendly and welcoming community as you'd expect in the north east and we always make sure that all our visitors are made welcome and well looked after, whoever they are.

We ensure that all residents are fully involved in the planning and delivery of services, promoting their right to privacy and independence. We recognise that everyone is different and the care we deliver aims to reflect this. Princes Court provides a homely, relaxed and safe atmosphere for it's residents, guests and staff.

A home from home.

Communal

Prince's Court Care Home is situated in North Shields, a short drive from Newcastle and close to the Royal Quays Marina, where cruise liners come and go. There is also a large retail park close by.

At Prince's Court we make every effort to ensure that all our visitors receive a very warm, homely and welcoming greeting when they arrive. We have a wide range of visitors, from people looking for a Care Home for a loved one through to Health and Social Service professionals, and we make sure that they all receive a professional, but at the same time warm and friendly service.

Our staff are hard working, very professional, committed and caring, and they interact extremely well with residents and their families. Above all, they take pride in their work. Residents and relatives are encouraged to get involved in the running of the home. To this end, we hold resident meetings, where we discuss what's happening in the Home and try to get them to be part of the decision-making process.

One of our priorities is to keep the residents physically and mentally stimulated, and to enrich their lives as much as we can. We try to give them the best quality of life that we can, depending on their abilities. This can involve simple things such as chatting with them, or doing person-centred activities, such as dancing. We also try to get them to laugh – we have a great sense of humour here in the northeast, so we're good at that!

Our rooms

Each of our 75 bedrooms at Princes Court are inviting, comfortable and well-furnished; residents are encouraged to personalise their room with their own furniture, photos and other moments to create a home from home feel.

Dining

Our catering team provide a wide range of home-cooked, nutritionally balanced meals prepared in our own kitchen and made from quality ingredients. Menus are prepared in consultation with experienced dietitians, with suggestions from our residents, to ensure that any specific needs, allergies or cultural and personal preferences are considered, while achieving a balanced nutritious diet.

Residents are encouraged to eat in the dining rooms but they can choose to eat in their room if they wish. We encourage friends and family to join us for meals with prior arrangement. We also cater for special occasions for our residents such as birthdays and anniversaries. The main meal of the day is served at midday, with a lighter meal in the evening. All meals offer a choice of menu options. Snacks, fresh fruit and refreshments are available at all times.

From bingo to beauty.

Activities

A regular programme of activities is promoted within the home by our dedicated activity organiser.

Each activity is designed around keeping fit and active or to simply stimulate. We encourage residents to live their lives as they wish and are able to join in, or not, as they please.

Our activities often involve the local community and we encourage strong social links with local groups. Typical daily activities include arts and crafts, indoor bowling, bingo, passive and gentle exercises, one to one shopping trips, beauty therapy, reminiscence meetings and lots more.

Support through challenging times.

Peace of mind

Our staff have the experience and training to know and understand the challenges that everybody involved has to overcome, so we know how to help. We provide as much support as possible to residents and their families during the moving process and throughout their stay at Princes Court.

Our staff are diligent, caring and trustworthy personnel who have each resident and their family's happiness as a core priority.
