Welcome to Hilltop Lodge

We have a dedicated and compassionate team, with good staff retention, which means our staff can build close and meaningful relationships with all our residents.

We are part of a wider, friendly and welcoming community as you'd expect in the north and we always make sure that all our visitors are made welcome and well looked after, whoever they are.

We ensure that all residents are fully involved in the planning and delivery of services, promoting their right to privacy and independence. We recognise that everyone is different and the care we deliver aims to reflect this. Hilltop Lodge provides a homely, relaxed and safe atmosphere for it's residents, guests and staff.

Relax in your home

The environment that we live in has significant impact on our happiness and wellbeing. Hilltop Lodge has a unique look and feel and is designed to be warm, comfortable and welcoming. We have an outdoor patio area leading from our Café and garden room which our residents and their families can enjoy at their leisure.

At Hilltop Lodge we know how important family and friends are to each of our residents that we support, with this in mind we actively encourage visitors to our home and for them to take part in the activities and events that we have going on throughout the home.

Dining

Our catering team provide a wide range of home-cooked, nutritionally balanced meals prepared in our own kitchen and made from quality ingredients. Menus are prepared in consultation with experienced dieticians, with suggestions from our residents, to ensure that any specific needs, allergies or cultural and personal preferences are considered, while achieving a balanced nutritious diet.

Residents are encouraged to eat in the dining rooms but they can choose to eat in their room if they wish. We encourage friends and family to join us for meals with prior arrangement. We also cater for special occasions for our residents such as birthdays and anniversaries. The main meal of the day is served at midday, with a lighter meal in the evening. All meals offer a choice of menu options. Snacks, fresh fruit and refreshments are available at all times.

Our rooms

We have 61 bedrooms, all with individual en-suites at Hilltop Lodge. The rooms are comfortable, well furnished and inviting with modern colour schemes having recently been refurbished to a high specification.

Residents are encouraged to personalise their room with their own furniture, photos and other mementoes to create a home from home feel.

From bingo to beauty

Activities

A regular programme of activities is promoted within the home by our dedicated activity organiser.

Each activity is designed around keeping fit and active or to simply stimulate. We encourage residents to live their lives as they wish and are able to join in, or not, as they please.

Our activities often involve the local community and we encourage strong social links with local groups. Typical daily activities include arts and crafts, indoor bowling, bingo, passive and gentle exercises, one to one shopping trips, beauty therapy, reminiscence meetings and lots more.
