# About Us

Wallace House Care Home is situated in Dunston, Gateshead, and is a short walk from the local shops. We have excellent public transport links and also very close to the Gateshead Metro Centre.

At Wallace House we do our very best to create an atmosphere that is warm and welcoming going the extra mile to make sure that it is not just the residents that are supported and involved within the home, but their families as well.

All residents have key workers and their families know they can go to them for support or information.

Each of our bedrooms at Wallace House are inviting, comfortable and well-furnished.

Residents are encouraged to personalise their room with their own furniture, photos and other mementos to create a 'home from home' feel.

Our dementia care is highly valued by residents' families. We strive to ensure everyone receives the right care and support to help them feel relaxed, safe and content in their new home.

We emphasise the importance of a strengths-based dementia care approach encouraging residents to maintain existing skills, abilities, hobbies and independence.

## Dining

We have a 3-week menu plan designed to offer choice and variations to suit all tastes and needs. Special diets can also be incorporated into daily menu choices to reflect individual preferences, religious and cultural choices.

All food is prepared on site by our kitchen team and meals provided are wholesome, appealing and nutritionally well balanced. Menus are displayed within the home and picture menus are also available to enhance and promote personal choice.

Tea, coffee and soft drinks, together with light snacks, are available during the day and night. A full choice of menu options is also available at every meal time.

Meals can be a wonderful social time and we encourage meals to be eaten by residents in our dining rooms, however, the choice to eat in their room is always available to residents.

**Family and friends are welcome to dine with residents and this can be arranged by our team.**

**We also try to cater for special occasions such as birthdays and anniversaries.**

Move more, laugh more...

## Activities

We provide a range of activities to suit different needs and interests, encouraging social opportunities, both inside and out, of the home.

Activities can include art and crafts, animal therapy, quizzes, knitting club, music nights, reminiscence sessions, keep fit and much more.

We also invite professional entertainers to perform in the home and welcome relatives, families and friends to join us.

Outdoor visits and trips are also organised with all events and activities displayed on the activity boards within the home.

If there is an activity residents particularly enjoy or request our Activities Team will endeavour to add it to the programme of events.

# Support through challenging times

Our Colleagues have the experience and training to understand the challenges faced when choosing a care home.

We aim to provide as much support as possible during the moving process and throughout our residents stay.
